

Salesian Sisters of Mary Immaculate
Monipuripara, Dhaka

Dhaka, 10th July 2010

Me, Carmen Corral, on behalf of the solidarity of the group of friends from Spain, I give 42.101 takas (500 euros) to Sister Nisa, religious member of the Salesian Sisters of Mary Immaculate of Bangladesh, to be employed for the improvement of the school situation of the children of St. Martha's Girls Orphanage, Baluchora, Kalmakanda, Netrakona-2420.

The people who collaborated are proud of being part of the education of the children of the poorest families of the area. For that, they'd appreciate any information they can receive in the development process of those children.

With all the hope for a future full of light and hope for you and those children,

Carmen Corral Rivas
